

Proven Performance

With nearly 1300
decorators/basecoaters

in the world,

89%

of all cans are
decorated on
Stolle equipment!

The #1 Choice of Canmakers

Stolle Concord and Rutherford Decorators can be found in more can plants around the world than any other brand. Every day, these amazing machines print billions of cans with up to 8 ink colors, tight registration, and unparalleled quality – at speeds up to *36 cans per second!*

Why settle? Get the equipment that canmakers trust.
