With almost 3500
bodymakers
in the world,

2 of 3

beverage cans are
formed by Stolle
bodymakers!

The #1 Choice of Canmakers

Stolle Standun and Ragsdale Bodymakers lead the industry in forming thin-wall 2-piece beverage can bodies. These reliable high precision machines are the choice of more canmakers around the world than any other type of bodymakers. Why settle? Get the equipment that canmakers trust.
